Selected new Kumho car tyres fitted by an authorised "Kumho Peace of Mind" Dealer are covered by "Kumho Peace of Mind" Assurance.

This means that if, during the first 12 months or 12,000km (whichever comes first), your new Kumho tyre is damaged beyond repair due to adverse road conditions such as high kerbs, potholes, broken glass etc, we will give you a new replacement tyre **ABSOLUTELY FREE!**

That's what we call
"Kumho Peace of Mind".

After 12 months or 12,000km, you are still covered by our factory warranty against faulty manufacture for the *life of the tyre. If our technical experts deem that the tyre is faulty, we will give you a replacement tyre and only charge you for the tread used. For example, if your tyre is 50% worn, you will receive a 50% discount on the equivalent new tyre.

**Life of the Tyre" refers to the original tread or 5 years after date of manufacture
