

# CRUGEN HT51

Engineered with quality features and details to go the distance in hard working, hard driving, all-weather conditions.

## IMPROVED STRAIGHT LINE DRIVING PERFORMANCE

Stiff centre block design reinforces stability, traction and handling capabilities..

## EXTENDED TREAD LIFE

An optimal block shape and four channel symmetric layout improves long tread life (tread wear rating of 720).

## ENHANCED PERFORMANCE IN WET CONDITIONS

Application of a zig-zag style groove design for improved drainage performance.

\*80,000km Guaranteed refers to Kumho's Mileage warranty program. For further details see our website.

## TYPICAL VEHICLES

Most modern SUVs for use in urban areas and light off-road applications.
